

Swiss TBM Owners & Pilots - 2022 Event Invitation

Report

Fly and Have Fun with the **TBM aircraft**

Together with our partners, we were honoured to welcome the yearly Swiss Pilot & Owner TBM gathering.

It was a sunny day and the participants have enjoyed

- to have the newly certified TBM960 on display;*
- to have the honor to welcome Margrit, the "queen of the ferry flights";*
- to hear from knowledgeable aviation experts;*
- to talk directly with specialists to improve their flying and operation experience;*
- to learn from each other; and*
- more importantly to relax & enjoy the comradery of the Swiss TBM community.*

This event gave the chance to renew friendship and make news ones.

Please do not hesitate to ask for any help in case you need it.

We also look forward to your participant in our next event.

Thanks and greetings from SwissFly Aero.

Thank You
