

Daher/SwissFly Aero near you: THANK YOU

We would like to thank you for spending your time visiting us. It was our pleasure as we enjoyed many inspiring conversations.

We celebrated the 30th anniversary of the AERO show by inviting a legend: Margrit Waltz, the queen of ferry flights with the TBM, who marked her 960th crossing of the Atlantic in a TBM 960, which she is qualifying as the ultimate model she has flown since serial number 5.

More information about our products and services, please feel free to contact us at: info@swissflyaero.com

We are looking forward to welcome you on the next event scheduled on the 9th of June.
